BENVENUTI NELLA GRANDE CITTÀ DEL COMMERCIO

Centergross è il più prestigioso distretto europeo per il commercio, riconosciuto a livello internazionale per l'eccellenza di prodotti Made in Italy. Dinamismo, efficienza e flessibilità sono le peculiarità di questo polo economico, nato a Bologna nel 1977. L'obiettivo è offrire agli operatori del settore servizi di qualità, concentrati funzionalmente in un'unica estesa area privata di oltre 1 milione di mq, 400.000 mq di aree espositive e 100.000 mq di uffici. Con 683 aziende e circa 6.000 addetti impiegati al proprio interno, il Distretto registra un volume complessivo di affari di circa 5 miliardi di euro provenienti non solo dall'Italia, ma anche da Europa, Asia, Medio-Oriente e America.

Dall'oggettistica agli elettrodomestici, dai servizi logistici alla farmaceutica, ma soprattutto moda, che rappresenta circa l'80% del volume complessivo d'affari.

Al Centergross, buyer, negozi indipendenti e boutique possono finalmente incontrare i fornitori ideali per migliorare la loro logica distributiva, per trovare assortimenti economici e veloci, scoprire le tendenze e gli stili più innovativi che influenzano il mondo della moda. E non solo. Il Distretto è situato in una posizione strategica alle porte di Bologna, in uno dei distretti più produttivi d'Europa. Facilmente raggiungibile in auto, grazie ad un'uscita autostradale dedicata, beneficia dei collegamenti internazionali offerti dall'Aeroporto G. Marconi di Bologna. Con il nuovo treno Eurostar Frecciarossa è raggiungibile da Milano in un'ora, da Firenze in 55 minuti, da Venezia in un'ora e 15 minuti. L'area è servita da taxi, autobus e treni locali.

Centergross è un modello esemplare di integrazione e funzionalità, costruito sulle basi di una passione comune a tutte le realtà presenti nel Distretto. Questo il suo punto di forza.
